Saturday, 9 April 2016

13:30 – 15:30

**Integrated Symposium:**
MALDI-TOF in microbiology - routine identification and more

ESCMID appointed chair: Ms Dorothea Orth-Hoeller, Innsbruck, Austria
Industry Chair: Mr Dr Markus Kostrzewa, Bremen, Germany

Detection of extended-spectrum beta-lactamase among Enterobacteriaceae using MALDI-TOF
Mr Dr Hilmar Wisplinghoff, Cologne, Germany

Improvements for the identification of non-tuberculous mycobacteria by MALDI-TOF
Ms Dr Belen Rodriguez-Sanchez, Madrid, Spain

MALDI-TOF for antibiotic resistance detection in Mycobacterium tuberculosis
Mr Dr Pieter-Jan Ceyssens, Brussels, Belgium

Identification and beyond – expanding the scope of MALDI-TOF mass spectrometry in microbiology
Mr Dr Markus Kostrzewa, Bremen, Germany

Organized by: **Bruker Daltonik**
