**Integrated Symposium:**
Advanced multiplex molecular diagnostics for respiratory and gastrointestinal tract infections

*ESCMID appointed chair: Mr Prof Dr Franz Allerberger, Wien, Austria*

*Industry chair: Mr Prof Dr Paul Savelkoul, Maastricht, Netherlands*

---

**Welcome and opening remarks**
Mr Prof Dr Paul Savelkoul, Maastricht, Netherlands
Mr Prof Dr Franz Allerberger, Wien, Austria

**Clinical impact of molecular diagnostics for the management of respiratory tract infection**
Mr Prof Dr Bruno Lina, Lyon, France

**Experience of the multiplex real-time PCR assay for flu screening in Spain**
Mr Dr Tomás Pumarola Suñé, Barcelona, Spain

**Tools for stools: the challenge of GI diagnosis using multiplex real-time PCR**
Mr Prof Dr Dietrich Mack, Ingelheim, Germany

**Advances in molecular diagnosis toward routing tests of gastrointestinal infections**
Ms Dr Anu Rebbapragada, Brampton, Canada

---

**Closing remarks**

*Organized by: Seegene*
